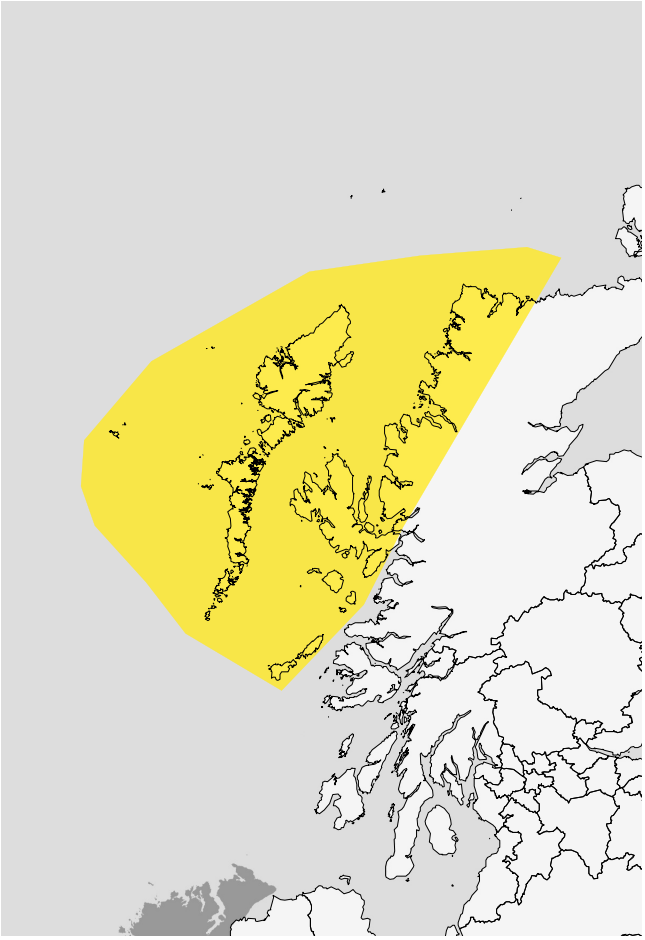
Yellow warning
Wind

Between
08:00 Wed 8 Nov 2023 and
18:00 Wed 8 Nov 2023



Strong winds may gust to 60-70 mph at times, with a chance of 80 mph across the Outer Hebrides, possibly leading to some disruption.

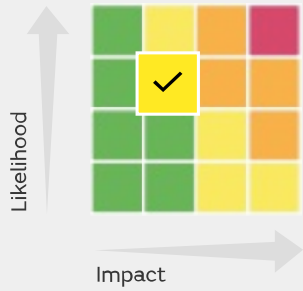
What to expect

- Some delays to road, air and ferry transport are likely with bus services affected.
- It's likely that some coastal routes, sea fronts and coastal communities will be affected by spray and/or large waves
- Some short term loss of power and other services is possible

Further details

An area of low pressure will develop and move northwards, passing close to the Outer Hebrides during Wednesday with very strong west to south-westerly winds for a time. Gusts may reach 60-70mph, which could lead to some disruption, especially across the Outer Hebrides where there is a chance of stronger gusts to 80 mph.

Winds will ease later this afternoon as the area of low pressure moves away to the north.



✓ Medium likelihood of low impacts
